December starts on the same day of the week as September starts every year, and ends on the same day of the week as April ends every year.

December's flower is the narcissus or holly.
December's birthstones are turquoise, lapis lazuli, zircon, topaz (blue), or tanzanite.

December in the Northern Hemisphere is similar to June in the Southern Hemisphere.

The first day of winter is either December 21st or 22nd. This is the shortest day of the year and the longest night. It is called the winter or Southern solstice in the Northern Hemisphere.
